Virtual Easter Egg Eggstravaganza

Hi Everyone,

Normally, at this time of year, we would be letting you know what date to bring your decorated eggs into school for our annual decorated Easter Egg Competition.

This year, we have had to think a little more creatively so we can still hold our egg-cellent event.

If your child would like to take part in our egg decorating competition, we are asking that the **eggs are completed and decorated at home by Tuesday 30th March.**

To still make it a competition, **we ask that a photograph of the finished egg be sent to your child's class teacher, no later than 3pm on Wednesday 31st March.**

We also ask that the children bring a £1 donation in on this day for entering the competition.

When sending the picture, please add your child's name so the class teacher can print them out and label them ready for them to be judged. This will be done by members of staff not in your child's class, as we would do if in school.

Prizes will be given out to the winning eggs on Thursday 1st April. There will be one winner per class

Your child is in Key Stage 1 – please see below for their teachers contact email.
